Dear Mr. Renwick:

I received both your letters of February 24 and March 3 with enclosures, and I apologize for this delayed response.

I note that the Finance Committee of the Morehouse Board of Trustees will be tackling the difficult issue of divestiture from companies doing business in South Africa. I think it would be helpful to the members of the Committee to review the enclosed article by Steve Mufson, which appeared in the March 11, 1986, issue of the Wall Street Journal, concerning American corporations doing business in South Africa and the so-called Sullivan principles. I've therefore taken the liberty of forwarding copies to each member.

Very truly,

A large, stylized handwritten signature in cursive script, appearing to read "Geo. W. Crockett, Jr.".
