

## Committee on Foreign Affairs

November 26, 1974

The Honorable Linwood Holton  
Assistant Secretary for Congressional Relations  
Department of State  
Washington, D. C. 20520

Dear Governor Holton:

Thank you for your letter of November 6 in response to my October 16 inquiry regarding the "Club of Ten."

You indicate that you are following possible South African involvement very closely as it has a direct bearing on whether the Foreign Agents Registration Act may have been violated by the Washington Post advertisement. I would like to know specifically what actions the United States Government has taken and is taking to investigate claims that the Club may actually be a front for the South African Government and to determine the extent of American involvement and financing.

I look forward to your prompt reply.

Sincerely,

Charles C. Diggs, Jr.  
Chairman, Subcommittee on Africa
