Mr. Mark K. Stone
Secretary
49th Ward Democratic Executive Committee

Dear Mr. Stone:

Thank you for your recent correspondence requesting information on the Mandela Freedom Resolution and our current effort to get South Africa to begin meaningful political negotiations with its Black majority. Due to the great demand for copies of both the legislation and the proposed resolution, I can only furnish you with one copy of each.

The Mandela Freedom Resolution was passed by a voice vote in both the House and the Senate, so there is no record on the individual voting.

I hope this information will be helpful.

Sincerely,

Geo. W. Crockett, Jr.
Member of Congress
