My Dear Colleague and Friend:

I hasten to address this letter to you because I wanted to share with you this information.

You were kind to send a memo about a resolution regarding South Africa and I am happy to report to you I sponsored such a resolution and it passed June 27, 1986 in the Illinois State Senate and supported by all Black Senators.

Senate Resolution 900 - Urges Congress and the President of the U.S. to free Nelson Mandela, South African leader and establish discussions to lead to a peaceful settlement with the black majority and to strength the economic sanctions.

Sincerely,

Margaret Smith
