Honorable Charlie Rose
U.S. House of Representatives
722 H.O.B. Annex 1
Washington, D.C. 20515

Dear Congressman Rose:

Your letter of May 15, 1985 caused a search of available records to be made and it appears that neither Canon U.S.A., Inc. or any of its subsidiary companies have done business with South Africa with the exception of one rental machine placed with the Embassy of South Africa in 1981.

Sincerely,

Frank G. Boyle
