On Thursday, May

On Thursday, May 12, 1977 the Congressional Black Caucus will conduct a brainstorming session from 1:30 PM to 4:30 PM on "The Effects of the President's Energy Proposal on Low-Income People." Because of your demonstrated expertise in the energy area, we would greatly appreciate your participation in this discussion session.

The brainstorming session will be held in the Gold Room, 2168 Rayburn House Office Building, Washington, D.C. (South Capitol Street entrance.)

Please complete the attached in order that we might have the benefit of questions raised by the President's energy proposal which you feel are critical. Your questions will be discussed at the meeting. If you have any questions, please feel free to call Keith Bodden or Bill Signer (202/225-4365.)

Looking forward to seeing you at the meeting.

Sincerely,
