Dear Sir:

Thank you very much for your recent letter concerning H.R. 5073,
the Asbestos Hazard Emergency Response Act of 1986.

As you may know, both the House and Senate have passed the
asbestos bill, and it is currently awaiting signature by the
President. I am sure this measure will be a major step in making
schools more safe for our children and school workers.

I appreciate your writing me concerning this matter of mutual
concern.

Sincerely,

Geo. W. Crockett, Jr.
Member of Congress
