

CBC - King

April 11, 1972

Dear Ms. McGowan:

Thank you for sending me a copy of the Board's resolution petitioning Congress to declare January 15, the birthday of Dr. King, a national holiday. I am a sponsor of H. R. 4099 which would create such a holiday. A copy of the bill is enclosed. It is now pending before the Judiciary Committee.

I appreciate the Board's expression of support for this legislation and am hopeful that it will be enacted.

Sincerely,

Louis Stokes
Member of Congress
