AMERICAN
HISTORY

Honorable George Crockett
8401 Woodward Ave., Ste. 106
Detroit, MI 48202

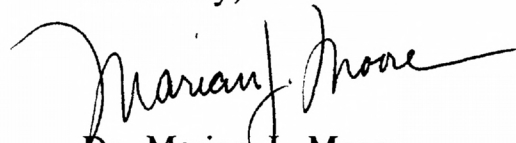

Dear Congressman Crockett:

Thank you for your participation and assistance in the
"Mandela Day In Detroit March and Rally".

The celebration of the release of Nelson Mandela was
successful. Also, the purpose to alert the public that
apartheid continues in South Africa and must be
completely dismantled in order that all people should
have basic human rights was accomplished.

The Museum of African American History was proud
to have been a part of this historic event and, once
again, thanks you for your participation.

Sincerely,

Dr. Marian J. Moore
