Dear Dr. Moore:

It was a great pleasure for me to have the opportunity to come into Detroit for the Mandela Day in Detroit March and Rally, and I appreciate your kind letter acknowledging my participation.

I hope that the euphoria over Mandela's release from prison will propel the movement towards true freedom for him and the millions of other South Africans who still must survive under apartheid. I look forward to continuing to work with you towards that end.

Sincerely,

Geo. W. Crockett, Jr.
