Dear Friends:

Thank you for your letter reacting to President Reagan's recent stand on South Africa.

I couldn't be more in agreement with your views. Recently I introduced H. Res. 373, a resolution to urge the Government of South Africa to engage in meaningful negotiations with that country's Black majority. Although it did not pass a vote in the House, please be assured that I will continue the fight to end apartheid in South Africa.

I look forward to your continued support on this vital issue.

Sincerely,

Geo. W. Crockett, Jr.
Member of Congress
