Honorable James H. Bradley
City Clerk
City of Detroit
Detroit, MI

Dear Mr. Bradley:

I am in receipt of your recent letter and the resolution adopted by the Detroit City Council with respect to American sanctions against South Africa.

I hope that you will communicate to the members of the Council my sincere appreciation for their good work in support of a progressive and enlightened U.S. foreign policy, and my hope that they will continue to evidence that concern as national protests against South Africa continue.

With best regards,

Sincerely,

Geo. W. Crockett, Jr.
Member of Congress
