The Honorable George W. Crockett, Jr.
Member of Congress
U. S. House of Representatives
1531 Longworth Building
Washington, DC 20515

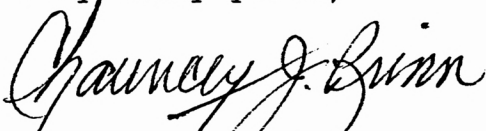

Dear Congressman Crockett:

Thank you for your letter of July 23, 1985, and your thoughtfulness in sharing the letter from John T. McTernan with me.

I share your assessment that Mr. McTernan has spoken eloquently and forcefully to the role of higher education regarding investment policies for South Africa.

Having a personal belief which is anti-South African government and all that it embodies, I am pleased to share with you that Western Michigan University is completely divested--having done so in 1983.

Very truly yours,

Chauncey J. Brinn
Vice President for University Relations
