The Honorable Carl Levin
United States Senate
459 Russell Building
Washington, D.C. 20510

Dear Carl:

I am very pleased to inform you that the House yesterday unanimously passed House Resolution 430, the "Mandela Freedom Resolution," under suspension of the rules. This is identical to your bill, S. Res. 386.

Many of my colleagues in the House spoke in support of the Resolution which had the bipartisan support of over 180 Members. I have enclosed for your information a copy of the full debate. I am confident that the House's action yesterday afternoon will contribute to your efforts to secure passage of the "Mandela Freedom Resolution" in the United States Senate.

I look forward to hearing from you to hear of your Resolution's progress through the Senate. As always, please do not hesitate to call upon me and my staff if we can be of any assistance in this effort.

With best regards,

Sincerely,

Geo. W. Crockett, Jr.
Member of Congress
