Honorable Clyde Cleveland
Detroit City Council
City County Building
Detroit, MI 48226

Dear Clyde:

Thanks for the kind and thoughtful letter expressing your support for our anti-apartheid efforts in the House of Representatives. I am pleased to inform you that H.R. 1460, which expresses our opposition to the South African regime through the use of several economic sanctions, was passed overwhelmingly by the House Foreign Affairs Committee on May 2, and should be up before the House of Representatives later this month. I think our efforts are on target, and our chances of success are very good.

You've been instrumental in getting our city on the right track. Now I hope we can move the state to take a positive step regarding the withdrawal of pension funds from those companies that continue to do business in South Africa.

Sincerely,

Geo. W. Crockett, Jr.
Member of Congress
