Dr. Oliver Tambo  
President  
African National Congress  
ANC 75th Anniversary Committee  
Washington, D.C. 20020

Dear Dr. Tambo:

On behalf of the twenty-three Black Members of the United States House of Representatives who comprise the Congressional Black Caucus, I welcome you back to America, and join with our friends around the world in celebrating the 75th anniversary of the African National Congress.

It is the pledge of the Congressional Black Caucus to pursue in this 100th Congress, a relentless fight to impose economic and political sanctions against the government of South Africa. Together, we will isolate these harbingers of injustice and bring a just and swift end to apartheid. We salute you and the patriots of freedom who are the true representatives of the people of South Africa.

Yours in solidarity,

  
MERVYN M. DYMALLY  
Chairman
