Dear Mr. Schultz:

Thank you for your recent letter inviting me to participate in the hearing held yesterday on a legislative proposal to require divestment of funds from the Baltimore City retirement system from companies doing business in South Africa.

Although your letter was dated May 13, it did not reach my office until this morning, and was thus too late to afford me the opportunity to participate.

I appreciate being apprised of the hearing, and will review the proposed legislation. Please keep me informed of the progress of this measure.

Sincerely,

  
Geo. W. Crockett, Jr.  
Member of Congress
