VIDEO: 10 Hours into Long Speech, Booker Speaks About President Trump's Attacks on Immigrants

APRIL 01, 2025

WASHINGTON, D.C. – This morning, 10 hours into U.S. Senator Cory Booker's (D-NJ) long speech, Senator Booker outlined the Trump administration's dangerous approach to immigration enforcement, emphasizing that the administration's actions do not solve the problems at our Southern border or in our immigration system, but instead undermine public safety and Americans' Constitutional rights. Senator Booker is using his speech to uplift the voices of Americans who have been, and will continue to be, hurt by these policies.

Booker took to the Senate floor beginning at 7pm ET last night with the intention of speaking as long as he is physically able to uplift the stories of Americans who are being harmed by the Trump Administration's reckless actions, attempts to undermine our institutions, and disregard for the rule of law.
