VIDEO: 14 Hours into Long Speech, Booker Highlights the Ways President Trump is Making America Less Safe

APRIL 01, 2025

WASHINGTON, D.C. – Early this morning, U.S. Senator Cory Booker (D-NJ) delivered floor remarks on the Trump Administration’s national security policies that are leaving our allies abandoned, our adversaries emboldened, and Americans less safe.

President Trump is unlawfully dismantling the U.S. Agency for International Development (USAID), terminating foreign aid programs that save lives and benefit American businesses, and increasingly distancing the U.S. from our neighbors and partners while ceding ground to Russia and China.

Booker took to the Senate floor beginning at 7pm ET last night with the intention of speaking as long as he is physically able to uplift the stories of Americans who are being harmed by the Trump Administration’s reckless actions, attempts to undermine our institutions, and disregard for the rule of law.
