## VIDEO: 18 Hours into Long Speech, Booker Highlights Harm to Farmers Brought On By Trump, Musk Policies

APRIL 01, 2025

**WASHINGTON, D.C.** – 18 hours into his long Senate floor speech, U.S. Senator Cory Booker (D-NJ) highlighted the chaos and uncertainty President Trump and Elon Musk are creating in rural America. Senator Booker detailed the destabilizing, devastating effects of Trump’s failure to honor existing USDA contracts and his cutting of programs that provided locally grown, nutritious food to schools and food banks. Senator Booker is also using his speech to uplift the stories of farmers who have been hurt by these policies.

Booker took to the Senate floor beginning at 7pm ET last night with the intention of speaking as long as he is physically able to uplift the stories of Americans who are being harmed by the Trump Administration’s reckless actions, attempts to undermine our institutions, and disregard for the rule of law.
