## VIDEO: 5 Hours In: Booker Discusses Trump, Musk Efforts to Slash Social Security

APRIL 01, 2025

**WASHINGTON, D.C.** – U.S. Senator Cory Booker (D-NJ) brought the focus of his long floor speech to President Trump’s and Elon Musk’s efforts to lay off thousands of Social Security employees, strip benefits from millions of Americans, and dismantle a critical program that has served Americans for nearly a century. 73 million Americans and 1.6 million people in New Jersey rely on Social Security benefits – benefits earned through a lifetime of work and paying into the program.

Booker took to the Senate floor beginning at 7pm ET last night with the intention of speaking as long as he is physically able to uplift the stories of Americans who are being harmed by the Trump Administration’s reckless actions, attempts to undermine our institutions, and disregard for the rule of law.
