## VIDEO: 4 HOURS IN: Booker Brings Focus to President Trump's Attacks on Medicaid, Americans' Health Care

MARCH 31, 2025

**WASHINGTON, D.C.** – Today, U.S. Senator Cory Booker (D-NJ) brought the focus of his floor remarks to President Trump's attempts to slash Medicaid, defund critical medical research, and increase health care costs for Americans. This week, Republicans in the Senate plan to make Senators vote on a budget that will harm Americans who rely on Medicare, Medicaid, and vital health programs.

Starting at 7pm Eastern Time tonight, Booker took to the Senate floor with the intention of speaking as long as he is physically capable to uplift the stories of Americans who are being harmed by the Trump Administration's reckless actions, attempts to undermine our institutions, and disregard for the rule of law.
