Environmental Justice Advocacy Worksheet

Based on the information you have learned from the document, Webcast, and images, answer the following questions:

List three types of advocacy actions that some communities have done for environmental justice?	List three actions you would consider doing to advocate for environmental justice in your community?	List three environmental issues you would like to tell your Congressional Representative about?
1.	1.	1.
2.	2.	2.
3.	3.	3.
