

Know, Want, Learned Chart: Pollution - Why Should I Care About It?

After reading the introductory essay and viewing one of the short online videos, use the chart to answer the following questions:

- **What are the key environmental issues for the poor and people of color?**
- **What attempts were made to bring these problems to national attention?**

To respond to the questions, fill in the blanks below with your thoughts and ideas. Keep this chart for later use to write a report, prepare a presentation, or create a display.

What did you know about “environmental justice” <i>before</i> the reading and viewing one of the online videos?	What do you now know <i>after</i> the reading and viewing one of the online videos about a community environmental issue?	What environmental issue most concerns you personally and what more would you like to know about it?
